Looking for [my music](#)? It's now available to buy from **Bandcamp!**

Welcome to ByteNoise, the personal homepage of Zoë Blade. This is where I keep everything I've written, from album reviews and tips on making electronic music to film reviews and my own original fiction. I hope you enjoy some of the things here. Feel free to drop me an e-mail at zoe@bytenoise.co.uk. Have fun exploring!

I'm probably going to drastically revamp this site at some point, so if you want to keep a copy of all this information, I'd advise archiving it with the following command:

```
wget -mhc http://bytenoise.co.uk/
